Grow, Learn, Believe, Achieve

Dear Parents,

What an exciting half term it has been... with class photos, Year 1 and 2 Football festivals, school trips, Elm and Lime Class Assemblies, New Parents Evening and to top it off...the upcoming Godalming Town Show carnival procession, led by Year 2 on Saturday 3rd June! Across the school the children have been busy building upon their learning in writing, phonics and maths and I am very proud and impressed with how they are progressing. To help further, over the holidays you could read every day with your child, give them opportunities to write about things they have done and even go through a few maths activities with them (in amongst some much needed family fun time!) Any home learning will be gratefully received and celebrated in class and possibly shared with me (one of my favourite parts of the day). After half term will be our 'Milford Marathon' fundraiser for the school, so remember to collect up that sponsorship money!

Have a brilliant half term,

Mr Stear and all at Milford School

## Year 1 Football Festival

Last Thursday I had the pleasure of taking a team of Year 1 children to the annual football festival at Farncombe Youth F.C. We had a fantastic afternoon of running about, tackling and shooting and celebrated lots of goals! Well done team, I was very proud of how well you represented Milford School.

There will be tractor rides, soft berries picking, static machinery display, bouncy castle, face painting, guided farm tours and an opportunity to purchase punnets of berries (50p - £1) with all funds donated to HHPF charity foundation.

### Sainsbury's Vouchers

A huge Thank you to everyone who has helped to count the vouchers. Sainsburys have now finished issuing vouchers so if you can please bring in any you may have lying around!

### OAK CLASS TO BIRDWORLD

Oak class have been busy learning through our topic of 'Paws, claws, feathers and fins'. Each week we have been finding out about different types of animals. We have been reading and writing facts about British Wildlife, telling and acting out the story of The Billy Goats Gruff and solving addition and subtraction problems about animals. Then last week, to help us learn about birds, we went on a school trip with Willow Class to Birdworld. We learnt so much we couldn't wait to inform everyone through our fantastic writing!

"I'm looking after endangered animals by taking them home."
