

Dear Parents

I am really proud of how well the children have settled into our school routine and their new year groups. I have enjoyed observing the learning in each year group and in particular Year 2 Pirate Day was a huge success.

Next Friday we are all looking forward to our Harvest Assembly and the children have been busy practicing their harvest songs. There will be a table outside the main office on Wednesday morning for the harvest donations and these will be donated to St Mark's Foodbank. Please see the last newsletter for list of requested donations. Any fresh goods (bread, crumpets and wraps) should be brought into school on Friday morning.

TiCa Photography (Godalming) will be coming into school on Thursday 7th October to take photographs. These will be available to order the following week and there will be a quick turn around.

Please see message from Godalming Learning Partnership on the extra Inset day on Monday 1st November.

Miss Nicola Jones

(Acting Headteacher)

Extra Inset Day—Message from GLP

Due to unforeseen circumstances, in order to keep the integrity of the GLP two year Talk for Writing training programme we have to change our planned October 22nd date to 1st November. October 22nd was originally chosen by Surrey CC as the day schools should take as the extra holiday for the Queen's Platinum Jubilee so this date will change from an INSET day to a holiday and the 1st November will become an INSET day. We know how important it is for parents to know INSET dates well in advance and so we apologise for this late notice however we consider this training to be very important for the development of our teachers and the education of your child/children.

Lime Class Crew!

Year 2 Pirate Day 2021!

What a fantastic day!

The Year 2 children set sail in their pirate crews to collect all the letters to find the Salt Sea Rats treasure.

They played pirate games, puppet making, designing flags and boats.

Lots of fun was had by all and luckily the teachers didn't have to walk the plank!
