

Dear Parents,

Welcome to what is our 16th newsletter this academic year (where has the time gone?) Lots of events have been happening over the last few weeks including the Godalming Town Show (where our Year 2 children and parents represented us brilliantly), the Milford Fete (where our Year 1 children and teachers danced beautifully!) Both events were well supported by the Milford Friends who continue to do excellent work in promoting and fundraising for our school - thanks again. Many thanks to those of you that have provided and sought out sponsorship for the children having completed the 'Milford Marathon' - the response has been fantastic and the money raised will go towards regenerating our pond/wildlife area which will hopefully get lots more use for Science and Art lessons. I wish you a restful weekend. Enjoy the sunshine!

#### Lime Class Election Day

We voted on which new After School Clubs we would put forward to School Council. First groups created posters and then presented their reasons why everyone should vote for their club. Then we voted and as you can see it was a serious affair. Everyone had one ballot paper which they could collect from our very efficient clerk. They voted in private and put their slip in the Ballot Box. The counting was completed and verified, and the results announced that Games Club won!

## Beech and Cherry Class Country Dancing

On Saturday we did some country dancing. We met our teachers at the Milford Friends tent and we performed two amazing, exhausting dances. It was fun, but tricky to keep in time with the music. We got a big clap and our family and friends were very proud of us.

### 'Feeling Good Week'

This week we took part in Surrey's 'Feeling Good Week'. We talked about what we like to do to make us feel happy and also how we can make other people feel good too. In Reception children told each other what made them special which made us smile and feel very important! We discovered that we are all different and that this can make everything much more interesting!

On Thursday afternoon the Year 1 and Reception teachers told the children what made them feel good. We relaxed with pop music and 'mindfulness' craft activities with Mrs Bruce, learnt how to Bhangra dance with Mrs Szczepanski, 'explored 'story visualisation' with Mrs Ward and joined Mrs Heslop constructing lego and Hama bead creations to make ourselves happy!

We finished our 'Feeling Good Week' with a whole school fun assembly. A busy week that hopefully made us all 'feel good'!
