Dear Parents

You will have noticed lots going on at our lovely school recently and hopefully will have seen our wonderful library taking shape (if not - photos attached). We are hoping to be able to start using it very soon and your children will be provided with a 100% recyclable library card!

We have put up our flag pole ready for our Eco School flag to arrive and I must say, we all feel very proud of this achievement and commitment to looking after the environment.

The children have been brilliant as always and in assemblies have been exploring Courage (our current value) but also the part that 'trust' plays. Year 2 are busy preparing their performance which will be shared with you as soon as it's complete — the singing sounds amazing!

I hope you enjoy the rest of the newsletter this week and have a great weekend.

Parking

Please remember to be considerate when parking outside the school by not parking in the lay-by, the zig-zag lines and leaving enough access for local residents and emergency vehicles. We have received complaints from parents who are reporting that this is causing danger at drop off and pick up times. We appreciate your understanding in helping us keep everyone safe.

Staff Car Park

Please note that the staff car park is for staff use only due to limited capacity. Breakfast and After School Clubs are not permitted to use the car park for drop off or pick up. If you have a physical disability which requires parking access, please contact the School Office to discuss.

Pedestrian Crossing

Please be extra vigilant and use the pedestrian crossing when coming to school. We have received reports of speeding which are currently being investigated.

We are really excited to share with you some photos of our school library. We still have a bit of work to do but hope to welcome some children to look at our wonderful range of books very soon. A band of amazing helpers have been regularly assisting with scanning and cataloguing books, putting together furniture, filling the shelves and generally making the moving of the library a success. Thank you to everyone that has helped in any way, whether practically or by donating a beautiful book. The fundraising you all took part in for our Fitness Challenge has helped to make this happen! (I still have some medals left if anyone happened to want to do another challenge.....)
