

WONDERFUL WILLOW!

We have had a busy start to the new term and our 'Toys' topic. We brought in and wrote about one of our toys and discussed why they are special to us.

We've looked at what materials toys are made from, how they look and feel as well as how they move. We've had a go at making a split pin moving cat toy and a ball-in-a-cup too!

Last week we had a visit from Year 1 who came to share and inspire us with their super writing. We also enjoyed the performance of 'Hare and the Tortoise' and did some great writing of our own using our phonic sounds to try and write descriptions of the main characters and mapping out the story.

This week we've been learning about ordering length and using the vocabulary short/shorter/shortest and long/longer/longest. We've also been inspired by a page from our new book (title still not revealed!) to make some magnificent model box creations, both individually and as a team.
