

Friday Update

26th June 2026

Attendance 95.2%

Dear Milford Families

Phew! It's been a hot one. Thank you for your cooperation this week while we've dealt with extreme temperatures.

We've still managed to have fun, with Drama4ALL coming in to hold Peter Pan's Adventure workshops with the children and Year 2 at Woodland School today.

A big thank you to all the parents who clubbed together to deliver ice lollies for all the children and staff to enjoy. Things should return to normal next week as the weather cools down.

Much love, the Milford Team

Goodbye Miss Goldup

We're sad to be saying goodbye to Miss Goldup, who has been such a valued part of our school team.

She's been loved by both children and staff, not only for her teaching but also for getting involved in school events and sharing her creativity through art club. Having once been a pupil here herself, it will be especially sad for her to leave a school that means so much to her. We'll also really miss her delicious baking in the staffroom!

While we're sorry to see her go, we're really excited for her as she takes up a new role at a local school in September. We wish her all the very best, she'll be amazing!

Reminder if your child is not at school

Please make sure you contact the School Office if your child is absent from school (for example because they are ill). You can leave a message on the answerphone at 01483 422087. **If we do not hear from you by 10am, you will get a well-being visit from the school.**
