

# Milford School School Improvement Plan 2020/21

# Contents

## Part 1

School aims, vision and values	3
Summary of achievements 2019/20	4
Priorities for academic year 2020/21	5
Pupil attainment targets for the academic year 2020/21	6

## Part 2

Whole-school improvement plan	7-11
-------------------------------	------

## **Our Mission**

At Milford School we nurture curiosity and creativity through our enriching and inclusive curriculum. Children develop a growth mindset approach to become **resilient** and **resourceful** in our safe and stimulating environment. Everyone is challenged and encouraged to thrive to become life-long **reflective** learners showing **respect** and **responsibility** as British citizens in our ever changing world.

## **Vision**

Milford aims to be an inspiring school at the heart of our community, allowing everyone to **grow** and **learn** in their own unique way. We will strive for excellence by supporting our children to **believe** and that they can **achieve** the best possible outcomes as they begin their journey as life-long learners.

## **Vision Statement**

Everyone to '**Grow, Learn, Believe, Achieve**'

## **To achieve this we will:**

Provide a balanced, broad and exciting curriculum to enrich learning

Work smart to support all learners to achieve, improving progress and attainment for all

Raise consistent expectations and aspirations for our school community through our Milford Mindset approach

Promote and engage our school in the wider community, celebrating and sharing the successes and strengths of our children and staff

## **Core values for children, staff and parents:**

**Be Kind, Be Respectful, Be Safe**

### **Achievements academic year 2019/20**

- Switch to remote learning during pandemic was smooth and staff did a sterling job of engaging learners and parents to support children from home.
- Children continued to learn outside of school and all children were followed up on and encouraged to undertake learning.
- Outcomes for children remained positive for academic year 2019-20 and since September 2020, gaps identified haven't been as significant as expected.
- Parents and children were effusive in their praise for the staff and the learning offer provided.
- Increased prominence of cultural diversity in our curriculum offer including celebrations of key religious and cultural festivals including Diwali, where we had a visiting dance/drama teacher. We also had Chittra Soundry, who was the author of Pattan's Pumpkin to do some storytelling and writing workshops with all classes.

### **Priorities academic year 2020/21**

- Ensure blended/remote learning systems remain in place in the event of a closure, either full or partial
- Improve behaviour for learning across the school with a revised behaviour policy
- Embed the positive improvement in writing across the school (TfW, Pobble, Monster Phonics)
- Improve Year 1 phonics screening outcomes (a secondary to introducing and embedding a new phonics approach)
- Continue to review and develop the Milford Curriculum – what is it that makes our curriculum different and unique? Plan for and introduce the
- Develop the use of questioning across the curriculum (linked through all subject action plans and staff training)
- Investigate and evaluate the Milford assessment approach, leading to a review of the policy and approach.
- Develop a mental health and wellbeing policy for children. Whole school pastoral/wellbeing target included in appraisals.

## School targets

Measure	Achieved (2017/18)	Achieved (2018/19)	Achieved *** (2019/20)	Targeted 2020/21	
% Expected standard Reading	71.4% GD = 28%	76%	***75%	75%	
% Expected standard Writing	67.3% GD = 14.2%	75%	***76%	75%	
% Expected standard Maths	73.5% GD = 24.2%	78%	***77%	77%	
% Expected in Reading, Writing and Maths combined	59%	66%	***68%	65%	
% End of Y2 phonics screening pass	92%	95%	n/a	96%	
% End of Y1 phonics screening pass	79%	78%	n/a	84%	
% Reception Good Level of Development	74%	70%	n/a	72%	
% Reception ELG Reading	80%	75%		75%	
% Reception ELG Writing	74%	71%		72%	
% Reception ELG Maths	83%	85%		82%	

<b>Priority 1:</b> Plan for and develop a whole school approach to pupil and staff mental health and wellbeing							
<b>Success criteria:</b> <ul style="list-style-type: none"> <li>• Sustainable travel increases, including through 'park and stride'</li> <li>• Reduced incidence of poor behaviour in and around school</li> <li>• More children access a variety of sporting and active experiences through Sports Premium funding</li> </ul>							
Objective	Action	Who?	Evidence	Expected outcomes	When complete?	Cost	Monitoring
Ensure staff mental health and wellbeing is considered in all actions taken by the school	<ul style="list-style-type: none"> <li>• Provide access to Hay's wellbeing modules and short 15 min training sessions for all staff</li> <li>• Include a staff mental health and wellbeing focus in HT appraisal target</li> </ul>	AS  AS	Completion of courses completed during some dedicated time in staff meetings.	Low levels of staff absence (other than Covid related)	Sept 2020 training available	Free – part of our package	
Provide opportunities for children to learn about mental health and wellbeing	<ul style="list-style-type: none"> <li>• Provide regular assembly inputs related to mental health and wellbeing</li> <li>• Publicise strategies and avenues of support for parents and children through newsletters/ emails/ availability of Senco for support.</li> <li>• Ensure PSHE curriculum plan incorporates a regular and specific focus on wellbeing</li> <li>• Provide a trained ELSA for each year group to target and work with children that are finding things difficult emotionally.</li> </ul>		Assemblies shared on Google Classroom. Children able to talk about strategies when they find things difficult. Lesson walk rounds. Behaviour logs.	Reduced incidence of poor behaviour. Increased engagement in learning activities. Good or better progress for all pupils from their starting points.			
Promote healthy living (physical)	<ul style="list-style-type: none"> <li>• Organise 'Pedals' training through Surrey County Council as part of our</li> </ul>		Certification for children having undertaken training (all children)	More children travelling to school sustainably.			

	<p>School Travel Plan accreditation.</p> <ul style="list-style-type: none"> <li>• Gain permission from Waverley to have parking exemption opposite Co-op for drop off and pick up with rear pathway being out of use due to Covid restrictions/safety.</li> <li>• Encourage our parents to use the Doctors car park to 'park and stride' to school</li> <li>• Survey methods of transport to school – improvement in percentages of sustainable travel between October and March, March to July.</li> <li>• Link to STEM/Outdoor learning focus in Curriculum Priority – plan for many areas of the curriculum to be carried out outdoors where possible.</li> <li>• Daily mile to continue for each class throughout the day.</li> <li>• Include healthy eating aspects to curriculum learning – science, cooking in DT, History (Crimean War – healthy soups for soldiers etc)</li> <li>• Target Pupil Premium/ potentially inactive children and use Sports Premium funding to offer further experiences to raise activity levels. See</li> </ul>		<p>Inclusion in 'School Travel Plan' and accredited by Surrey County Council auditors. Parents allocated a parking permit and these are used (SLT to check occasionally on usage at busy times – drop off and pick up)</p>	<p>Increased use of our bike shelter.</p> <p>More parents and children using our allocated parking permit times and walking to school, reducing traffic and congestion outside of school.</p> <p>More children accessing after school clubs.</p> <p>Further opportunities for outdoor and adventurous activities provided within the school day.</p>			
--	--	--	--	--	--	--	--

	<p>Sports Premium/PE Lead plan (including outdoor and adventurous training for staff, continuation of lunch time 'active' club etc)</p> <ul style="list-style-type: none"> <li>• Provide a vegetable patch for each class to take ownership of. (1 per year group available now)</li> </ul>						
	<ul style="list-style-type: none"> <li>•</li> </ul>						

<b>Priority 2:</b> Develop behaviour for learning culture and visible consistencies across the school.							
<b>Success criteria:</b> <ul style="list-style-type: none"> <li>• Reduced number of fixed term exclusions</li> <li>• Reduction in number of children displaying extreme behaviours</li> <li>• Children know and can articulate the Milford rules</li> <li>• Reduction in number of playground incidents</li> </ul>							
<p style="text-align: right;"><b>Please note, drop ins/lesson observations will not be happening until further notice due to Covid 19. Andrew may pop in, those in class (with own classes) will not as per risk assessment.</b></p>							
Objective	Action	Who?	Evidence	Expected outcomes	When complete?	Cost	Monitoring
To embed specific positive praise in all areas of school	Ensure 'recognition boards' are up and working in line with policy in all classrooms (and in the hall)	All	Recognition boards in a prominent and visible place in each classroom across the school. During drop ins/lesson obs, recognition boards are being consistently used to promote positive behaviour.	Children are proud to be part of Milford. Positive role models grow and influence behaviour for learning (leading to improved outcomes)	Ongoing	Half day inset and regular SDM follow ups	
To embed the 3 school rules (kind, respectful, safe)	Regular explicit teaching of 3 rules through all areas of the curriculum and school life (inc. assemblies) Visible consistencies in place. Relentless routines are used and developed over the year.	All	These are seen and felt across the school. Recognition boards are used to explicitly promote and teach the rules, consistencies and routines in each class (based upon their specific class need)	Improved behaviour and attitudes in school. Learning and transitions improve	Ongoing	See above	
To use microscripts to redirect and positively reinforce correct behaviours across the school (culture)	In staff meetings, regularly revisit behaviour approach. Ask staff to model their scripts regularly to see how they might develop over time and how staff might put their own slight personalisation to them.	All	Staff meeting notes. Drop ins/lesson obs notes 'Noticing' by SLT and other staff throughout the school day.	Calmer school environment of consistency and certainty leading to reduction in number of behaviour incidents across school = happy children = happy parents = happy staff.	Ongoing	See above	
To develop staff confidence and skill in using new using behaviour policy approach	Revisit and embed use of micro scripts Staff meetings to refer to beh approach and policy throughout the year Audio books/reading to be provided and shared by and with staff	All	Staff meeting notes.	Staff feel well equipped to deal calmly with any incidence of poor behaviour Reduction in number of extreme behaviours due to consistency of approach and high expectations	Ongoing	See above	

To develop use of questioning to help children regulate and understand their learning behaviours	Pauses for reflection about effort and actions taken to be a theme in all lessons.		Drop ins/lesson obs Planning Link to recognition boards in classrooms	Children are more able to concentrate for greater lengths of time. Reflect on their own learning (metacognition and self-regulation are high impact strategies as shown by EEF)	Ongoing		
Playtimes and lunchtimes are active and happier times	Use some sports premium funding to train LSAs to deliver high quality activities to engage children. Sports coach remain in place for academic year for active lunchtimes. Monitor effectiveness of this.	Adam Cosser/ Mel Wells	Playtime behaviour and accident books. Notes made by A. Cosser/M. Wells. Class teacher and LSA feedback.	Fewer accidents. Less 'lost lesson time' due to incidents during play times/lunch times. Healthy and active body = healthy mind.	Review April 2021	£??	

<b>Priority 3:</b> Develop the teaching and learning of English, leading to improved outcomes for all pupils, including SEND and disadvantaged.							
<b>Success criteria:</b> <ul style="list-style-type: none"> <li>• Reading standards are broadly maintained in Year 2 despite closure due to Covid 19 last academic year</li> <li>• Year 1 phonics screening pass percentage to increase</li> <li>• Writing standards improve in EYFS, maintain in Y1 and maintain in Y2.</li> <li>•</li> <li>•</li> </ul>							
Objective	Action	Who?	Evidence	Expected outcomes (Impact)	When complete?	Cost	Monitoring
To begin to embed Monster Phonics scheme	Parent information sessions to be regularly scheduled (initial one with Monster Phonics, then termly staff led sessions) Monitor consistency of approach and learning across year groups Further staff training and refreshers to implement new approach to phonics	LHeslop and LSmith	Lesson planning. Drops ins/lesson obs Displays around school References made on Google Classroom/newsletters Feedback from staff following second training session	Improved outcomes in phonics screening test within two years to be in line or above national average Reading outcomes improve (long-term) Staff confidence and knowledge of phonics approach and pedagogy is developed	Intro – 1 <sup>st</sup> Sept 2020  Training 2 – Oct 2020  Ongoing	£350 for scheme.  Books to support - £1500	
Improve links between reading books and new phonics approach	Amend book band labels for reading to include links to phonics scheme progression Parent virtual training sessions to support families to help their children with reading	L. Heslop / L.Smith?	Evaluation of training sessions from parents (?) Book band labels work well alongside phonics scheme	Phonics and reading improves due to the structured and linked nature of the books and scheme.	Book band labels – complete Oct 2020	2 x SL release	
To continue to develop and implement Talk for Writing approach in all year groups	Year group plans to be updated and monitored to ensure T4W element at least one each term. Plans to be updated to include a non-fiction T4W element Develop the use of drama/role play to provide experiences to support the children's writing	All	Planning. Drop ins/lesson obs.	Improvement in storytelling experiences and vocabulary for all children. Writing to improve in both fiction and non-fiction genres.	July 2022	Cost for GLP for 2 years = Circa £20k	
To develop oracy across the school in all subject areas <b>(with a focus on questioning)</b>	Weekly use of curiosity cubes to be embedded across all classes Develop and provide training on the use of story sacks, bags, puppets (long-term) Foundations of speech and language to be supported by use of	L.Hesl, All	Planning Google Classroom content	Those with speech and language difficulties to make increased rates of progress.	Began May 2020. Complete – July 2022	£250 for cubes and resources £350 Middle	

	Google Classroom, 'keep up' pockets of time with teacher or LSA including pre-teach for those with EAL or EHCP (and others who might benefit) Story cubes (dice)					Leader training for staff member GC = free	
Broaden children's experience of reading stories and being read to	Adults reading a range of genres and texts to children every single day (timetabled and stuck to) Plan for the use of the library to support this.	All	Timetables End of the day stories visibly consistent in every classroom, every day	Children are exposed to and therefore able to use more story language themselves (orally and in writing)	Ongoing	No cost	

<b>Priority 4:</b> Continue to develop the Milford School Curriculum							
<b>Success criteria:</b> <ul style="list-style-type: none"> <li>• Clear vision for curriculum articulated effectively to all stakeholders</li> <li>• Whole year group overviews complete with clear progression of knowledge and skills and links to other areas of the curriculum</li> <li>• Assessment of children's progress and attainment in achieving some key skills/concepts is monitored and reported on to governors</li> </ul>							
Objective	Action	Who?	Evidence	Expected outcomes	When complete?	Cost	Monitoring
To introduce and implement RSE policy	Consult with all stakeholders on RSE guidance. Launch policy. Organise planning and overview for school.	NJ/All	Consultation documents and feedback Policy itself Planning documents being used	Compliant Build upon PSHE prac. already in school Greater parental awareness and involvement in PSHE topics and issues	April 2021	Dep Head release time	
Develop provision for outdoor learning across curriculum	Resource pond area to enable whole class teaching. Allocate a 'story telling area'. Train staff on effective use of outdoor learning provision. Create a portfolio of activities/ideas to support different subject areas (working document) A member of staff to attend South Downs trust training online and disseminate to staff.	NB/HSz  HSz  NB/HSz/ All	Planning inc use of outdoor areas. Attendance at online South Downs training by a member of staff.	Children become more engaged and aware with nature. (awe and wonder) Wellbeing of children and staff supported by safer outdoor working where appropriate.	July 2022	???	
To develop and improve the teaching of music	Provide staff training session. Investigate and implement a music teaching approach across the school.	MW	Staff training session notes/handouts Music approach being used across school. Planning in place.	Improvement in numbers of children taking up musical instrument playing Confidence of staff in delivering Music lessons increased (qnaire?)	July 2022	SDM  £109 subscript ion to Music Express	
To develop STEM teaching (indoors and outdoors)	Develop links between science, computing, technology, PE and the wider curriculum.	HS/NJ/A S	Curriculum Lead action plan. Adaptations to curriculum plans. Lesson plans, photos.	Curriculum and yr group overviews show clear links between subject areas for STEM.			

Improve staff confidence in supporting mental health and wellbeing in pupils	To develop a pupil mental health and wellbeing policy. Train staff in ELSA to support pupils who need additional provision.	AS/NJ/ EW	Links to PSHE curriculum Assemblies delivered by HT ELSA certification for staff sent on training. Policy itself		Ongoing		
Revisit and clarify purpose and uniqueness of Milford Curriculum	Staff meeting to encapsulate what is unique about our curriculum – purpose, impact. Update website to reflect our USP and structure of our curriculum. Reference Parklands School curriculum plans and magpie any useful themes/content.	HS/All	Updated website Curriculum statement visible around school.	Access to whole curriculum for all pupils – ensuring a balance and continued focus on physical and mental wellbeing.	July 2021		
Strengthen and further develop the use of cross-curricular links	Further development of topic overviews to include cross-curr links wherever possible. Ensure links are relevant e.g. if using English to convey understanding in History, is OLI linked to History curr. with high expectations for English?	ALL	Planning. Learning in books.		July 2021		
Develop use of questioning across all subjects	All Subject Leader action plans to consider and promote development of questioning techniques. All staff training to cover relevant questioning considerations for the specific area covered.	All Subject Leads	SDM minutes/agendas. Action plans.	Deeper understanding shown by children due to questioning. Higher percentage of children attaining well, particularly in speech and language.	July 2022		

<b>Priority 5:</b> Develop effective use of assessment and data to enhance progress for all learners							
<b>Success criteria:</b> <ul style="list-style-type: none"> <li>• Succinct termly assessment criteria produced and being used effectively by all staff.</li> <li>• Interventions planned and delivered to meet identified gaps in learning for pupils/groups leading to good or better progress</li> <li>• Assessment policy, procedures and system developed further (with involvement from staff)</li> </ul>							
Objective	Action	Who?	Evidence	Expected outcomes	When complete?	Cost	Monitoring
Strengthen use of data systems	Investigate best practice in assessment. Consider alternative approaches to recording and analysing data (ie SIMs, excel) – to save money and make system more ‘our own’	NJ/All	Assessment policy Effective assessment procedures in place Reports produced by DHT for HT, staff and governors.	More accurate data sets across the school, meaning better predictions. Earlier intervention and mostly class based due to use of data.	July 2021 and ongoing	???	
Ensure assessment processes work well	Review termly expectations. Monitor assessment and produce meaningful data analysis for staff to use. Organise set assessment procedures for whole school inc. timings. Plan for standardisation of assessments made between classes and yr groups.	All	Standardisation meeting notes Data reports/analysis Assessment dates/planned approach	Impact of intervention, whether provision in class or additional is measured accurately and leads to tangible improvements for all pupils. Every child makes at least expected progress from their starting point each year, with many making accelerate progress.	July 2022		
Develop link between Senco and assessment	Look at how SEND processes and data feed into classroom practice. Evaluate impact of actions for SEND/PP learners. Provide counsel and support with SEND practice to impact SEND/PP learners (QfT primarily but also intervention where appropriate – EARLY intervention) Consider what next if actions are having little or no impact.	EW/NJ	Report from SENCO regarding impact of provision/actions for SEND/PP learners. (for HT, governors)				

To plan and implement an assessment policy/guide	Using the above actions, devise a policy/guide to assessment at Milford School for implementation (when?)	NJ/AS	Policy and procedures documents.
