Whole-school improvement plan	7-11

Part 1

Our Mission

At Milford School we nurture curiosity and creativity through our enriching and inclusive curriculum. Children develop a growth mindset approach to become resilient and resourceful in our safe and stimulating environment. Everyone is challenged and encouraged to thrive to become lifelong reflective learners showing respect and responsibility as British citizens in our ever changing world.

Vision

Milford aims to be an inspiring school at the heart of our community, allowing everyone to grow and learn in their own unique way. We will strive for excellence by supporting our children to believe and that they can achieve the best possible outcomes as they begin their journey as life-long learners.

Vision Statement

Everyone to 'Grow, Learn, Believe, Achieve'

To achieve this we will:

Provide a balanced, broad and exciting curriculum to enrich learning

Work smart to support all learners to achieve, improving progress and attainment for all

Raise consistent expectations and aspirations for our school community through our Milford Mindset approach

Promote and engage our school in the wider community, celebrating and sharing the successes and strengths of our children and staff

Core values for children, staff and parents:

Be Ready, Be Respectful, Be Safe

Achievements academic year 2019/20

- Switch to remote learning during pandemic was smooth and staff did a sterling job of engaging learners and parents to support children from home.
- Children continued to learn outside of school and all children were followed up on and encouraged to undertake learning.
- Outcomes for children remained positive for academic year 2019-20 and since September 2020, gaps identified haven't been as significant as expected.
- Parents and children were effusive in their praise for the staff and the learning offer provided.
- Increased prominence of cultural diversity in our curriculum offer including celebrations of key religious and cultural festivals including Diwali, where we had
 a visiting dance/drama teacher. We also had Chittra Soundry, who was the author of Pattan's Pumpkin to do some storytelling and writing workshops with
 all classes.

Priorities academic year 2020/21

- Ensure blended/remote learning systems remain in place in the event of a closure, either full or partial
- Improve behaviour for learning across the school with a revised behaviour policy
- Embed the positive improvement in writing across the school (TfW, Pobble, Monster Phonics)
- Improve Year 1 phonics screening outcomes (a secondary to introducing and embedding a new phonics approach)
- Continue to review and develop the Milford Curriculum what is it that makes our curriculum different and unique? Plan for and introduce the
- Develop the use of questioning across the curriculum (linked through all subject action plans and staff training)
- Investigate and evaluate the Milford assessment approach, leading to a review of the policy and approach.
- Develop a mental health and wellbeing policy for children. Whole school pastoral/wellbeing target included in appraisals.
- Ensure use of Pupil Premium and Covid Premium funding positively impacts the children that need it most.

Next steps for the school as identified in November 2018 inspection

Leaders and those responsible for governance should ensure that:

- the most able pupils are routinely challenged, including across the wider curriculum
- the schools reviews and refines the use of additional funding to improve outcomes for disadvantaged pupils

School targets

Measure	Achieved	Achieved	Achieved ***	Targeted
	(2017/18)	(2018/19)	(2019/20)	2020/21

Priority 1:

Plan for and develop a whole school approach to pupil and staff mental health and wellbeing

Success criteria:

- Impact of wellbeing work done by school demonstrated by improved scores on staff survey
- Children understand the importance of looking after their physical and mental health

Objective	Action	Who?	Evidence	Expected outcomes	When complet e?	Cost	Monitoring
To ensure there are high levels of well-being across all levels of staff	 Provide access to Hay's wellbeing modules Plan regular wellbeing staff meetings 	SLT	Courses completed during some dedicated time in staff meetings	Staff become more aware of ways to sustain or improve their own wellbeing	Ongoing	£0	
	Conduct initial staff well- being survey and continue half termly	NJ/EW	Responses and data collected	SLT to understand the current picture of staff well-being. Continuous monitoring and appropriate actions taken as a result of surveys	May 2021	£0 NJ/EW leader ship time	
	 Introduce/continue wellbeing initiatives: Screen free days implemented when children and staff are working remotely PPA at home if staff wish to do so Introduce 'Golden Tickets' for staff to take a day/half day off to use for non-work purposes 	NJ/EW	Planning Email to staff re PPA and a check-in question in half-termly staff survey Xls to record Golden Ticket days and cover required	Levels of well-being are sustained or improving	Ongoing	Cover to be organi sed intern ally	
Provide opportunities for children to learn about mental	Curriculum Provide regular assembly inputs related to mental health and wellbeing	All Staff	Assemblies, planning	Children are able to talk about mental health and well-being (what makes me feel happy?)	£0 NJ/EW leaders hip time		

health and wellbeing	 Ensure PSHE curriculum plan incorporates a regular and specific focus 					
	 on wellbeing Intervention Provide a trained ELSA for each year group to target and work with children that are finding things 	JT & AH	ELSA logs and assessments	Early identification of needs (through use of PSHE curriculum)	£	
	difficult emotionally Parents Publicise strategies and avenues of support for parents and children through newsletters/ emails/ availability of Senco for support	SLT & Office	Newsletters NJ & EW to conduct a parent survey to investigate	Parental awareness of strategies and support is increased.	NJ/EW leaders hip time	

Priority 2:

Develop behaviour for learning culture and visible consistencies across the school.

Success criteria:

- Reduced number of fixed term exclusions
- Reduction in number of children displaying extreme behaviours
- Children know and can articulate the Milford rules
- Reduction in number of playground incidents

Please note, drop ins/lesson observations will not be happening until further notice due to Covid 19. Andrew may pop in, those in class (with own classes) will not as per risk assessment.

Objective	Action	Who?	Evidence	Expected outcomes	When complet e?	Cost	Monitoring
To embed specific positive praise in all areas of school	Ensure 'recognition boards' are up and working in line with policy in all classrooms (and in the hall)	All	Recognition boards in a prominent and visible place in each classroom across the school. During drop ins/lesson obs, recognition boards are being consistently used to promote positive behaviour.	Children are proud to be part of Milford. Positive role models grow and influence behaviour for learning (leading to improved outcomes)	Ongoing	Half day inset and regular SDM follow ups	
To embed the 3 school rules (kind, respectful, safe)	Regular explicit teaching of 3 rules through all areas of the curriculum and school life (inc. assemblies) Visible consistencies in place. Relentless routines are used and developed over the year.	All	These are seen and felt across the school. Recognition boards are used to explicitly promote and teach the rules, consistencies and routines in each class (based upon their specific class need)	Improved behaviour and attitudes in school. Learning and transitions improve	Ongoing	See above	
To use microscripts to redirect and positively reinforce correct behaviours across the school (culture)	In staff meetings, regularly revisit behaviour approach. Ask staff to model their scripts regularly to see how they might develop over time and how staff might put their own slight personalisation to them.	All	Staff meeting notes. Drop ins/lesson obs notes 'Noticing' by SLT and other staff throughout the school day.	Calmer school environment of consistency and certainty leading to reduction in number of behaviour incidents across school = happy children = happy parents = happy staff.	Ongoing	See above	
To develop staff confidence and skill in using new using behaviour policy approach	Revisit and embed use of micro scripts Staff meetings to refer to beh approach and policy throughout the year Audio books/reading to be provided and shared by and with staff	All	Staff meeting notes. Postcards denoting strengths observed both formally and incidentally to be kept and shared with staff.	Staff feel well equipped to deal calmly with any incidence of poor behaviour Reduction in number of extreme behaviours due to consistency of approach and high expectations	Ongoing	See above	

	Postcards for beh strategies – to be shared with all staff and available for anyone to notice and give to anyone.						
To develop use of questioning to help children regulate and understand their learning behaviours	Pauses for reflection about effort and actions taken to be a theme in all lessons.		Drop ins/lesson obs Planning Link to recognition boards in classrooms	Children are more able to concentrate for greater lengths of time. Reflect on their own learning (metacognition and self-regulation are high impact strategies as shown by EEF)	Ongoing		
Playtimes and lunchtimes are active and happier times	Use some sports premium funding to train LSAs to deliver high quality activities to engage children. Sports coach remain in place for academic year for active lunchtimes. Monitor effectiveness of this.	Adam Cosser/ Mel Wells	Playtime behaviour and accident books. Notes made by A. Cosser/M.Wells. Class teacher and LSA feedback.	Fewer accidents. Less 'lost lesson time' due to incidents during play times/lunch times. Healthy and active body = healthy mind.	Review April 2021	£??	

Priority 3:

Develop the teaching and learning of English, leading to improved outcomes for all pupils, including SEND and disadvantaged.

Success criteria:

- Reading standards are broadly maintained in Year 2 despite closure due to Covid 19 last academic year
- Year 1 phonics screening pass percentage to increase
- Writing standards improve in EYFS, maintain in Y1 and maintain in Y2.

	language to be supported by use of					Middle	

	Google Classroom, 'keep up' pockets of time with teacher or LSA including pre-teach for those with EAL or EHCP (and others who might benefit) Story cubes (dice)					Leader training for staff member GC = free	
Broaden children's experience of reading stories and being read to	Adults reading a range of genres and texts to children every single day (timetabled and stuck to) Plan for the use of the library to support this.	All	Timetables End of the day stories visibly consistent in every classroom, every day	Children are exposed to and therefore able to use more story language themselves (orally and in writing)	Ongoing	No cost	

Priority 4:

Continue to develop the Milford School Curriculum

Success criteria:

- Clear vision for curriculum articulated effectively to all stakeholders
- Whole year group overviews complete with clear progression of knowledge and skills and links to other areas of the curriculum
- Assessment of children's progress and attainment in achieving some key skills/concepts is monitored and reported on to governors

Objective	Action	Who?	Evidence	Expected outcomes	When comple te?	Cost	Monitoring
To introduce and implement RSE policy	Consult with all stakeholders on RSE guidance. Launch policy. Organise planning and overview for school.	NJ/All	Consultation documents and feedback Policy itself Planning documents being used	Compliant Build upon PSHE prac. already in school Greater parental awareness and involvement in PSHE topics and issues	April 2021	Dep Head release time	
Develop provision for outdoor learning across curriculum	Create a working group to develop the outdoor area. Audit to be carried out Autumn to establish starting points and further action. Resource pond area to enable whole class teaching. Allocate a 'story telling area'. Train staff on effective use of outdoor learning provision. Create a portfolio of activities/ideas to support different subject areas (working document) A member of staff to attend South Downs trust training online and disseminate to staff.	HSz LH/KS NB	Planning inc use of outdoor areas. Attendance at online South Downs training by a member of staff. HSz and KS Helen to attend NAHT – Curriculum Design workshop – Dec	Children become more engaged and aware with nature. (awe and wonder) Children talk positively and knowledgably about the outdoors. Wellbeing of children and staff supported by safer outdoor working where appropriate.	July 2022	???	
To develop and improve the teaching of music	Provide staff training session. Investigate and implement a music teaching approach across the school.	MW	Staff training session notes/handouts Music approach being used across school. Planning in place.	Improvement in numbers of children taking up musical instrument playing Confidence of staff in delivering Music lessons increased (qnaire?)	July 2022	£109 subscript ion to Music Express

	specific area covered.			and language.		
l						

Priority 5:

Develop effective use of assessment and data to enhance progress for all learners

Success criteria:

- Succinct termly assessment criteria produced and being used effectively by all staff.
- Interventions planned and delivered to meet identified gaps in learning for pupils/groups leading to good or better progress

• Assessment policy, procedures and system developed further (with involvement from staff)

Objective	Action	Who?	Evidence	Expected outcomes	When complet e?	Cost	Monitoring
Strengthen use of data systems	Investigate best practice in assessment. Consider alternative approaches to recording and analysing data (ie SIMs, excel) – to save money and make system more 'our own'	NJ/All	Assessment policy Effective assessment procedures in place Reports produced by DHT for HT, staff and governors.	More accurate data sets across the school, meaning better predictions. Earlier intervention and mostly class based due to use of data.	July 2021 and ongoing	???	
Ensure assessment processes work well	Review termly expectations. Monitor assessment and produce meaningful data analysis for staff to use. Organise set assessment procedures for whole school inc. timings. Plan for standardisation of assessments made between classes and yr groups.	All	Standardisation meeting notes Data reports/analysis Assessment dates/planned approach	Impact of intervention, whether provision in class or additional is measured accurately and leads to tangible improvements for all pupils. Every child makes at least expected progress from their starting point each year, with many making accelerate progress.	July 2022		
Develop link between Senco and assessment	Look at how SEND processes and data feed into classroom practice. Evaluate impact of actions for SEND/PP learners. Provide counsel and support with SEND practice to impact SEND/PP learners (QfT primarily but also intervention where appropriate – EARLY intervention)	EW/N J	Report from SENCO regarding impact of provision/actions for SEND/PP learners. (for HT, governors)	More robust monitoring of standards, particularly for PP/SEN pupils leading to improved outcomes with measurable impact. Earlier and most effective intervention/QfT practice to be highlighted and provided – raise achievement.			

	Consider what next if actions are having little or no impact.					
To plan and implement an assessment policy/guide	Using the above actions, devise a policy/guide to assessment at Milford School for implementation (when?)	NJ/AS	Policy and procedures documents.			
Link assessment closely to performance management	Set up appraisal profiles and targets on Arbor MIS, enabling triangulation of information: observations/monitoring – assessments – CPD – appraisal objectives and progress.	AS	Arbor MIS reporting to SLT and Governors to show key information around appraisal target (progress towards), percentage of lessons observed including quality rating, impact of interventions organised and implemented by class teachers reported with associated costs.	Centralised and simplified appraisal and performance management process.
